School Digital Citizenship Plan 2025-2026

This template is provided as an option for schools to use to create their Digital Citizenship Plan by October 31 of each current school year. Refer to the Digital Citizenship Plan insite page for support and resources. You can modify and use this template or create your plan in a different format as needed to support the needs of your school. School leaders use collaborative consultation to determine 2-3 long term goals for the school year and build upon them for long-term impact.

Please share a relevant version of your School Digital Citizenship Plan with parents and students on your school's website.

Relevant contextual information about your school and School Development Plan:
