Interested to register your child in French Immersion?

Come and join us for an informative session that will help you make an important decision about your child's education.

- The Early French Immersion Program provides students with the opportunity to acquire functional French Language in speaking, reading, writing, listening and communicating in French by the end of Grade 12. French Immersion is an alternative program where French is the language of instruction for all subjects, beginning in Kindergarten or Grade 1 and Grade 2. Students receive formal English Language Arts and Literature in grades 3-5 and all other subjects are taught in French.
