Commitment to Truth and Reconciliation

Mind – To Know

In recognition of National Day for Truth and Reconciliation,
and in alignment with the CBE Education Plan,

King George School

acknowledges and supports the Truth and Reconciliation Commission of
Canada's (TRC) Calls to Action, and makes the following commitment to
action for the 2026-2027 school year:

Mind-To Know

King George School commits to deepening our understanding and appreciation of Indigenous histories, cultures, and languages through authentic learning experiences. By engaging with Indigenous and Western knowledge systems, we will explore the connections between language, identity, culture, and belonging.

As a French Immersion school, we will deepen our understanding of the important role language plays in preserving culture, identity, and belonging by exploring connections between Indigenous languages and our own experiences learning in French. Through this learning we will build confidence and resilience; and develop empathy and respect for the languages and cultures that shape our communities.

We will honour Indigenous perspectives and ways of knowing, fostering reflection, respectful relationships, and meaningful action in support of ReconciliAction

In making our commitment,
Call to Action #63.3
Offered inspiration.
